Annual Quality Assurance Report –2009-10

PART - A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year...

The college planned to join hands with a few NGOs for mutual cooperation in the field of education, health-care and community services.

We in collaboration with Rotary Club Metro - Rajkot and Lioness Club - Rajkot held a few programmes like Blood Donation Camp and Blood Grouping Camp.

- It was decided to hold at least one University level event at the premises.

 A University level Judo Competition for Girls was held at our premises.

 We had hosted the three days event.
- We intended and proceeded to start a 30 week programme of Beauty and Beauty-care under the Continuous Education Department, run by Saurashtra University.

Due to some reasons, we could not do it.

The IQAC decided to promote students for co-curricular and extracurricular activities and the faculty members to participate in various Faculty Development Programmes.

A plenty of co-curricular and extracurricular activities were held in the institution and students were sent out to participate such activities. All the faculty members who participated in seminars, workshops or conferences were funded registration fees and travelling allowances as well.

A Training Course for faculty members was held by IQAC this year. Total 10 faculty members were trained for Computer Operating, MS Office (Word, Excel & PPT) and Internet on self-financed basis this year.

PART-B

1. Activities reflecting the goal and objectives of the institution:

Almost all the activities reflect the objectives and goal of the institution, particularly of the trust that runs the institute. The goal of the trust is to spread women education, especially in rural areas surrounding the region of Rajkot district. The trust, therefore, had set up a girls' hostel to provide lodging and boarding facilities to the girls. The institution offers two courses at under graduate level - Arts and Commerce. The institution does not believe in doing any activity at the cost of education.

Here we at the institution try to provide our students (Over 80% of them are from rural areas) quality education apart from extra-curricular activities and co-curricular activities.
